

Name: _____

Checking compass skills

Task A: Drawing circles

- 1) Use a **pair of compasses** to draw five circles of different sizes.
Use the cross as the centre point for all five circles.

x

- 2) For each question, use a pair of compasses to draw a circle between the two circles provided.

Task B: Drawing arcs and circles with a given radius

1) Use a pair of compasses to draw four circles with the radii given below.

Use the same cross as the centre point for all four circles.

Use a separate sheet of paper and place your cross as close to the centre of the page as you can.

a) 5 cm

b) 8 cm

c) 10 cm

d) 2 cm

2) Working from left to right, draw a set of connecting arcs, staying between the lines provided. Use the crosses as centre points for your arcs.
