

Calculating missing side lengths from the area of composite rectilinear shapes

- 1 Calculate the length of the marked side. Fill in the blank

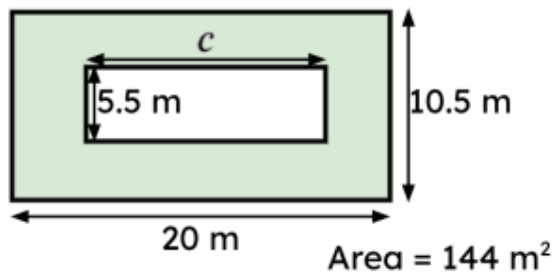

- 2 Calculate the length of the marked side. Fill in the blank

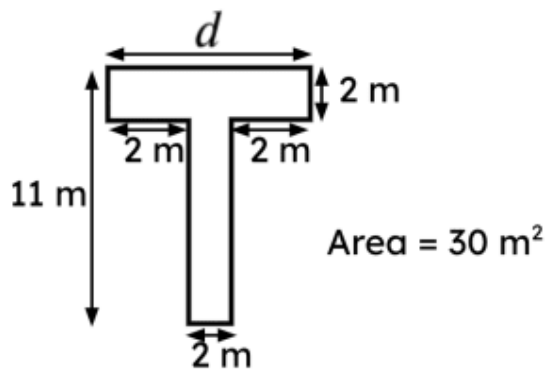

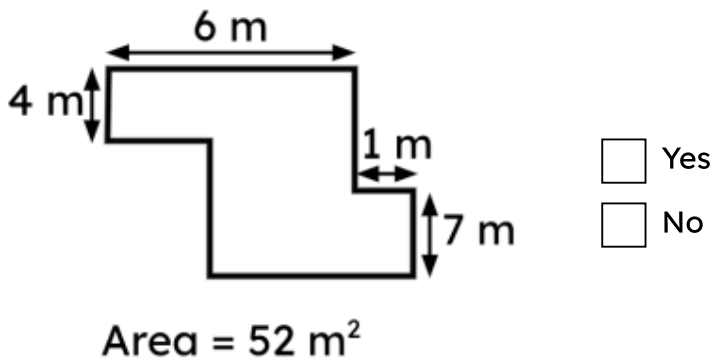

- 3 Calculate the length of the marked side. Fill in the blank

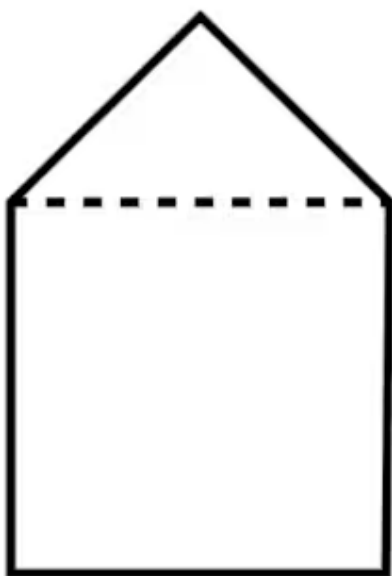

- 4 Calculate the length of the marked side. Fill in the blank

- 5 Is it possible to determine the perimeter of this shape? Tick **1** correct answer

6 True or false? This is an example of a composite rectilinear shape. Tick **1** correct answer

☐ True

☐ False
