

Calculating missing side lengths from the area of composite rectilinear shapes

- 1 Calculate the area of this compound rectilinear shape (you do not need to state the units). Fill in the blank

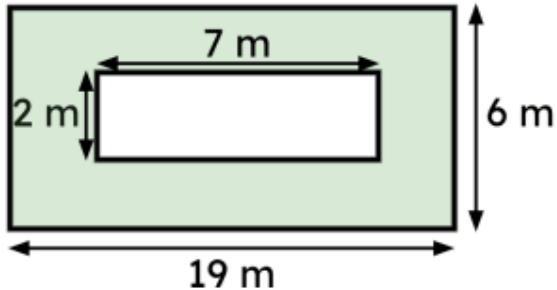

- 2 Calculate the area of this compound rectilinear shape (you do not need to state the units). Fill in the blank

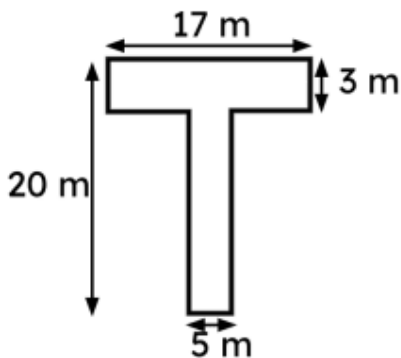

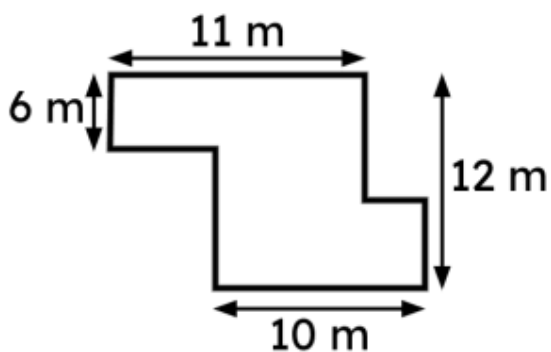

- 3 Calculate the area of this compound rectilinear shape (you do not need to state the units). Fill in the blank

- 4 Calculate the area of this compound rectilinear shape (you do not need to state the units). Fill in the blank

- 5 Determine whether there is enough information to find the perimeter of this shape. Tick 1 correct answer

- ☐ There is enough information
- ☐ There is not enough information

- 6 Calculate the area of this compound rectilinear shape (you do not need to state the units). Fill in the blank
