

Scaling diagrams for multiplicative relationships

Task A: Scaling diagrams

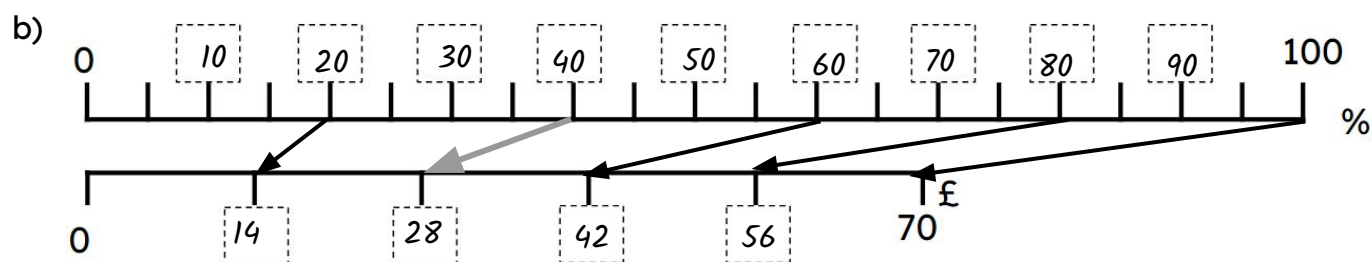

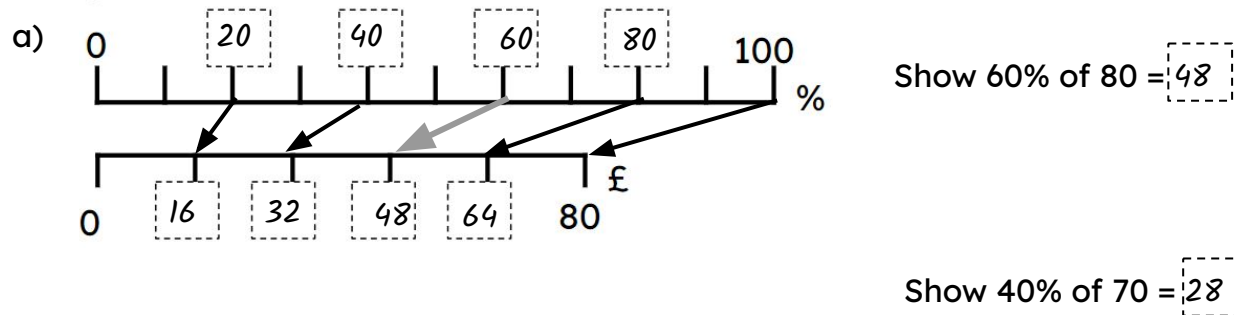

1) Fill in the missing information (including arrows) using the scaling diagrams.

2) Fill in the missing information (including arrows) using the scaling diagrams.

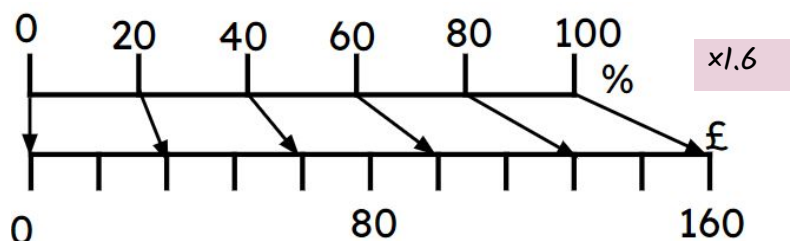

3) Fill in the missing information (including arrows) using the scaling diagrams.

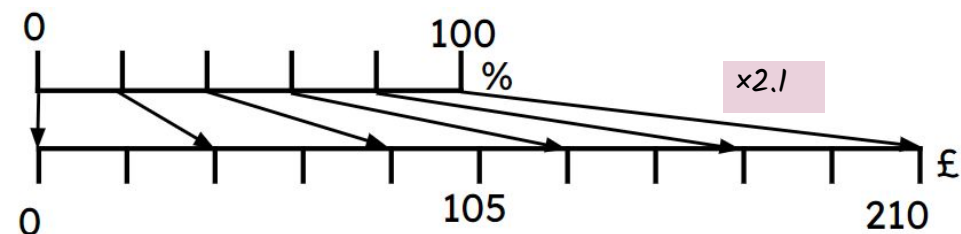

Task B: Comparing representations

1) Fill in the missing information on the ratio table and the scaling diagram.

Amount	%
160	100
64	40
24	15

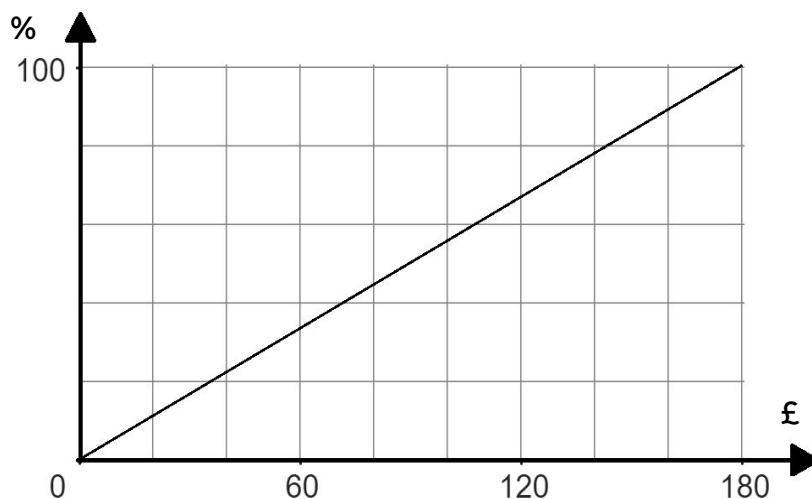

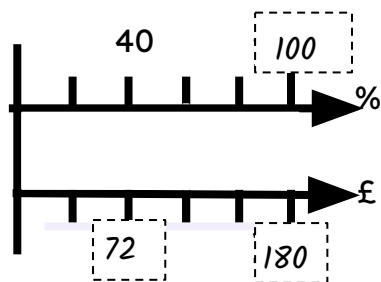

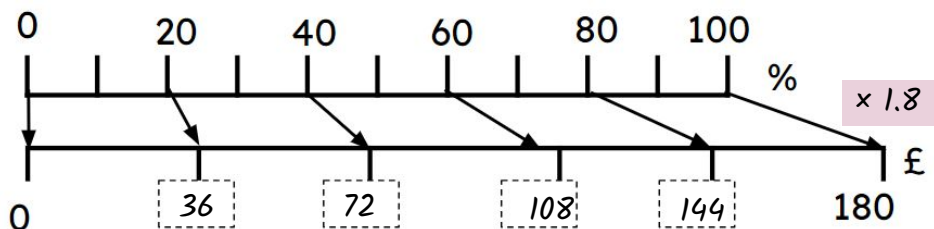

Amount	%
210	100
126	60
50.4	24

2a) Fill in the missing information, using the different representations.

Amount	%
180	100
72	40
27	15

2b) Fill in the missing information, using the different representations.

Amount	%
80	100
40	50
32	40
0.4	0.5
